

# Henning Estates to hold Ranch-a-Rama in Huntley

Rock Creek's Henning Estates will hold Ranch-a-Rama in Huntley Oct. 27, 28 and 29.

OCTOBER 26, 2017

**T**he weekend of Oct. 27, 28 and 29 Henning Estates is hosting its first annual Ranch-a-Rama in Huntley.

Henning Estates is a community of custom ranch homes on the west side of Huntley offering homebuyers the unique opportunity to customize one of the builders six ranch floor plans or build a completely custom home.

Ryan VanLue, president of Rock Creek Homes, developer and builder of Henning Estates says, "I've always wanted to host an event exclusive to ranch homes and I am excited to finally be making Ranch-a-Rama a reality."

What exactly is Ranch-a-Rama? "Our team created Ranch-a-Rama as a special event where visitors can learn more about our custom ranch homes, meet our team, talk with product reps plus see and tour our

homes. We are still finalizing the list of featured homes. Visitors can expect to view our models as well as some other homes currently under construction. It's a great opportunity to see our superior quality of construction first hand," adds VanLue.

Ranch-a-Rama is sponsored by Andersen Windows and Hines Lumber Supply. Both will be on-site for the event to showcase their products and answer questions as will representatives from LP SmartSide, Masonite and more.

The Henning Estates community was originally planned for 103 homesites, each 1/3 acre in size, plus another 87 homesites on the west side of the neighborhood, known as Hennings West. The highly anticipated homesites of Hennings West are now available and will be celebrated with a ribbon cutting on Friday, Oct. 27. The Huntley Chamber of Commerce will be hosting the ribbon cutting beginning at noon. A complimentary lunch will be offered from 11 a.m. to 2 p.m. from the Hines BBQ Wagon as well as cake and refreshments. VanLue notes, "Ranch-a-Rama was the perfect time to officially celebrate our latest collection of homesites. They've already proven very popular due to their larger sizes ranging from half-an-acre to just over one acre."

Ranch-a-Rama will continue from noon to 4 p.m. Saturday, Oct. 28, and Sunday, Oct. 29. Both days will feature complimentary food and refreshments, special "treats," promotions and giveaways. Visitors can partake in a complimentary taste of the spirited vine complete with appetizers, refreshments and desserts. There will also be an official "Meet the Builder" each day from 2 to 3 p.m. It's a good opportunity to meet VanLue and his team, ask questions and become more familiar with their custom homes and building process.

Home shoppers at Henning Estates can select one of the builders six appealing ranch floor plans and build exactly to plan or customize the home to fit their needs perfectly. There are a wide variety of options to choose from both cosmetic and structural such as adding a four-season room, a stone fireplace, expanding rooms, reconfiguring spaces and finishing the basement, just to name a few. Aside from the more traditional features, the builder is also open to special requests and treats every home as a custom project.

The six ranch floor plans available range in size from just over 1,800 to over 2,420 square feet with prices beginning in the mid to upper \$300s. Every home comes with a spacious 1/3 acre homesite, a full, unfinished basement and an impressive list of included features. Larger homesites are available as an option plus the builder also offers basement finishing services.

Henning Estates is located on the west side of Huntley. The sales center and model home is located at 10402 Oakdale Drive in Huntley and is open noon to 4 p.m. daily.
