HIWIN Corporation Moves to New Huntley Headquarters

HIWIN recently moved into their newly constructed 117,441 square foot US based headquarters on Jim Dhamer Drive in Huntley Corporate Park. HIWIN Corporation is a high tech company known for

designing precision components such as linear guides, ball screws and robotic equipment. HIWIN chose Huntley location due to its great Tollway access and purchased enough land for an additional 140,000 square foot addition to accommodate future growth. HIWIN's parent company is based in Taiwan, with additional corporate presence in 12 countries including France, Germany, Japan, Italy, and Singapore. The new building houses a large machining facility, labs for Quality, Engineering/R&D and Training, and a high-efficiency warehousing system. The new HQ represents an \$18 million investment by HIWIN to ensure best-in-class manufacturing, delivery and service to HIWIN's American customers.
